SERVICE LINE PERMISSION - NPCL

With reference to premises no. _____

I/We being owner(s) of the building give my/our unequivocal consent for taking electricity connection to myself/tenant and authorize NPCL to:

- i. Cut-out and Meter Board
- ii. Alter the existing Service Line, Cut-out and Meter Board
- iii. Use existing spare loop and/or
- iv. Undertake any activity to energize the connection

NOTE

- a. It shall not be incumbent on the company to ascertain the validity or adequacy of any way leave or sanction from the consumer.
- b. Electricity Connection shall not be treated as a proof of ownership of the Premises.

DECLARATION

I/We,....., solemnly assure and undertake that:

- a. I/We hereby desire to have and agree with the Licensee to take a supply of energy for the above mentioned purposes, for a period of not less than 2 years from the date of commencement of supply and to pay for the energy so supplied and all other charges at the rates set out in Tariff Order as approved by the Uttar Pradesh Electricity Regulatory Commission from time to time.
- b. I/We also agree to be bound by all the terms and conditions of the U.P. Electricity Supply Code, 2005 as approved by Uttar Pradesh Electricity Regulatory Commission and the amendments/revisions thereto and the provisions of the Electricity Act, 2003 together with the Rules framed there under and the provisions of CEA (measures relating to safety and Electrical Safety Regulations, 2010) as amended from time to time.
- c. I/We also declare that in the event of my/our failure to comply with the above provisions, it shall be lawful for the Licensee to discontinue the supply in terms of the U.P. Electricity Supply Code, 2005.
- d. I/We further declare that the Licensee shall not be held responsible for any interruption/diminution/curtailment/staggering/stoppage of supply etc. for reasons beyond its control.
- e. I/We understand that this declaration can be cancelled/terminated after two years by giving written notice to the Company (NPCL) as per the procedure described in the U.P. Electricity Supply Code 2005.
- f. I/We further agree that this declaration given by me/us shall be construed as an Agreement with the Licensee to the above effect.
- g. I/We declare the all details furnished in the Application Form are true to the best of my/our knowledge and belief. If any information is found incorrect at a later stage, then the Licensee shall have the right to withhold/ disconnect supply, as the case may be.
- h. I/We undertake to use electricity as per the declared load. I/We shall ensure not to draw excess load and incase, my load exceeds the declared/contracted load, I/We shall immediately apply for enhancement of load.
- i. I/We undertake to utilize the electricity strictly in terms of the application submitted by me/us. Theft / diversion of electricity, by-passing the meter, tampering with electricity meter, associated equipment and installations is a punishable offense under the provisions of the Electricity Act, 2003.

j. I/we undertake to intimate the Licensee as per the procedure described in the "U.P. Electricity Supply Code - 2005" as amended from time to time whenever I/We intend to vacate the premises for which the electric connection is being taken.

I/We have read and understood the above Terms & Conditions and Declaration and agree to abide by the same.

Form Received By:

Name of Licensee's Representative

Signature of Licensee's Representative

ACKNOWLEDGEMENT

Application from Mr./Ms. _____ complete in all respects/ having short comings, for requisition of temporary / permanent Supply is received on _____. The reference no. allotted is _____ which shall be used in all future correspondence.

Date:

Signature of Licensee's Representative

PLEASE NOTE

- Supply of electricity will be governed by the provisions of the "U.P. Electricity Supply Code - 2005" passed by the Uttar Pradesh Electricity Regulatory Commission as amended from time to time.
- For low voltage and medium voltage supplies, service will be installed and supply commenced only after requisite fees for inspection by the Directorate of Electrical Safety, Government of Uttar Pradesh, are deposited at the local Branch of State Bank of India and the original challan submitted to us. Challans for the purpose are available at the Reception of our Head Office. In case of bulk/high voltage installation, supply will be energized upon receipt of the approval of the Directorate of Electrical Safety, Government of Uttar Pradesh.
- The service will be installed only at the ground floor. You will be required to provide space for the Meter Board or the Metering Cubicle in a Pucca Shed of a designated part of a Pucca construction, as indicated during the inspection, at a convenient position nearest to NPCL's existing main line, and on road frontage as far as possible. Where a Meter Board has to be fixed on a wall, the wall should be of 10th thick brick construction with plaster.
- In case of bulk/high voltage supplies, which will be decided depending upon your load requirement and nature of usage, you will be required to install your own transformer and switching apparatus. You will be required to provide suitable accommodation for installation of our high tension metering panel in a room and the floor of the meter room must be above the maximum flood water level.
- In case the load requisitioned is more than 25 kW, you will be required to enter into an agreement with the Company prior to energisation of supply. The agreement will be available at the Company's Head Office upon payment of the Provisional Offer-cum-Bill.
- In your interest, please ensure permanent disconnection of your electric supply before vacating the premises.
